Experience

May 2023 - Apr 2024
WAMM LLC
WEB DEVELOPMENT INSTRUCTOR | MASTER CODER
Developed and delivered a comprehensive web development curriculum, aligning with the latest industry standards. Empowered students through hands-on training, preparing them for real-world challenges. Fostered an interactive learning environment, encouraging creativity and problem-solving.

Jun 2022 - April 2023
FOXCOM LTD
FRONT-END DEVELOPER
Played a pivotal role in designing and developing user-friendly web applications using React. Collaborated cross-functionally to optimize user experience and ensure seamless functionality. Participated in debugging sessions, improving application performance and reliability.

Oct 2023 - Jan 2024
ROOCHE DIGITAL
BACKEND DEVELOPER
As a Back-end Developer at Rooche Digital, my primary responsibilities revolve around the server-side of our web applications. I play a crucial role in ensuring the seamless functionality and performance of our platforms by handling server-side logic and integrating with APIs, databases, and other services.

Oct 2023 - May 2024
MEMELOPE
FULL STACK DEVELOPER
Building websites using the MERN stack.

August 2023 - 2024(Present)
Amol Malankar(freelance)
Flask Full Stack Developer
Designed, developed, and maintained full-stack Python applications tailored to client needs. Leveraged various Python frameworks and libraries to optimize backend operations. Collaborated directly with the client to ensure deliverables were aligned with specified requirements.
